

FYI To All FC Residents....

No ATVs or dirt bikes are allowed to be driven on the streets or the vacant lots/properties within Fiddlers Cove. These vehicles are considered to be a safety hazard for our already very busy streets. This includes trespassers and non-residents as well. Please be advised that KPD will be called for any infractions and will issue appropriate fines.

An email will follow to all residents from AMSLLC for those who are not on FC FB. It will also be posted on the new FC Website. The Board thanks you for your support.
